

INVITATION TO BID

HUMAN WASTE TO WEALTH PROJECT

About UWASNET

UWASNET was founded in 2000 by the Government of Uganda through the Ministry of Water and Environment in partnership with Sector Development Partners as the umbrella organization for all Civil Society Organizations (CSOs) operating in the Water and Sanitation sub-sector. This was as a result of a sector reform known as the Sector Wide Approach (SWAp) which brought together Government, Development Partners and CSOs together to develop, fund and implement a single development plan. UWASNET works through the SWAp to contribute to the National Development Plan of poverty alleviation through universal access to sustainable, safe water and improved standards of sanitation and hygiene.

UWASNET's mandate is to coordinate all CSOs and strengthen their contribution to the sector by facilitating learning and sharing, documentation of CSO's work and promoting partnerships and collaborations with other sector stakeholders, including Government, development partners and the private sector.

OUR VISION

All people accessing improved and sustainable water resources, sanitation, hygiene and the environment.

Our Mission

To strengthen coordination and collaboration of Civil Society Organizations and other stakeholders in the Water and Environment Sector of Uganda. CSOs include social enterprises, development programs, the private sector, and NGOs in the sector.

UWASNET invites submission of offers/ bids from eligible and competent firms to provide quotations for the subject below pertaining to the Human Waste to Wealth Project.
